

Providing specialist care  
tailored for your needs

## Welcome to Riverside Care Centre

**Situated in a quiet area of Kingswinford, near Dudley, Riverside Care Centre offers 24-hour support for residents with a learning disability, a physical disability or complex needs, or for mental health diagnosis in a home-from-home environment.**

Riverside is a purpose-built facility that offers 24 bedrooms, all with en-suite bathrooms, split over three two-storey houses. Each storey benefits from spacious, bright and airy communal areas and includes a kitchen, living and dining spaces.

The centre, which shares the same grounds as Holbeche House Care Home, has a CQC rating of Good, and exudes a culture that is inclusive and empowering. Our services enable residents to live as full a life as possible and achieve the best possible outcomes.

---

*“I love it here. Staff look after us very well.”*

---

## Designed with you in mind...

All our residential rooms are equipped with en-suite facilities and are designed with comfort, privacy and ease of access in mind. Rooms can be individually decorated to each resident's preference – this includes personalising the door with photos and meaningful keepsakes.

When it comes to care, we pride ourselves in maintaining a caring partnership, which is why care plans are written with the input of each resident, their family members and any other relevant health care professionals. It is this collaborative approach that makes living at Riverside so enjoyable.

Encouraging independence is important both within and out-with the centre. We assign key workers so residents can enjoy activities such as trips to local events, going bowling, going to the theatre or even going on holiday.

We understand that making the decision to join Riverside Care Centre can be a time of great worry and change for residents and their families and we want to do what we can to reassure and support. It's our promise to you that a member of our team will be available to guide you through the whole process, from initial enquiry to settling into your new home.
